Re: Proclamation Request

It is my pleasure to advise that City Council, at a meeting held February 22, 2011 adopted the following resolution:

“That the City of Oshawa proclaim March 7 to 13, 2011 as ‘Women of Aviation Week’ .”

The City is proud of the valuable service Women Licensed Pilots provide to our citizens and, on behalf of Mayor Henry and members of City Council, I wish you every success in your activities celebrating this event.
